Dear Parent or Guardian,

Growth and Development education at the high school will be taking place in the CHOICES class each quarter. Cañon City Schools has worked diligently to align each lesson with the Colorado Comprehensive Health Standards. We feel that this curriculum is an important part of your child's normal and healthy growth, and encourage you to discuss the program with your student to answer their questions.

Topics may include:

<ul style="list-style-type: none"> • Personal Safety • Healthy/ Unhealthy Relationships • Decision Making • Safe Dating 	<ul style="list-style-type: none"> • Puberty • Human Reproduction of Childbirth • Abstinence • Contraceptives and Pregnancy Prevention • HIV/AIDS and Sexually Transmitted Infections (STIs)

Canon City Schools acknowledges the parents/ guardians are the primary reproductive educators for their child/children and we are committed to partnering with you to provide supplementary resources to support you in this role. Parents/guardians have the option of exempting their child from any portion of Growth and Development instruction if it is in conflict with conscience, moral, or religious beliefs. If this is the case with your child, please fill out the bottom portion of the page, tear it off, and send it back to school with your child. Students who are excused will be assigned an alternative learning opportunity during the applicable time.

Superintendent of Schools, Cañon City Schools

You DO NOT need to return anything if you are comfortable with your child receiving the entire Growth and Development program.

I do not want my child to receive the Growth and Development curriculum this school year.

I do not want my child to receive the following lessons (check all that apply):
